Prof. Pulak Mishra currently works as a Professor at the Department of Humanities and Social Sciences of the Indian Institute of Technology Kharagpur. He is also a Joint Faculty Member of the Centre of Excellence on Safety Engineering & Analytics of this Institute.

Prof. Pulak Mishra has teaching and research experience of more than twenty years. He holds MPhil in Applied Economics from Jawaharlal Nehru University, New Delhi (through the Centre for Development Studies, Thiruvananthapuram) and PhD in Economics from Vidyasagar University, West Bengal. He has research interests in the fields of *Industrial Economics*, *Public Economics and Policy*, and *Economics of Rural Development*. He has been engaged in carrying out research on issues relating to corporate response to economic reforms (particularly, on implications of mergers and acquisitions, technology strategies, non-price competition, etc. in respect of market structure, corporate performance, and public policies and regulations). His research works also include issues relating to market-policy-institution linkages for inclusive and sustainable and development, socio-economic and ecological implications of rural infrastructure development, value chain development in agriculture sector, cleaner energy transition, etc.

Prof. Mishra has been associated with research projects funded by the Competition Commission of India, National Foundation for Corporate Governance, Ministry of Education (Government of India), Ministry of Rural Development (Government of India), Department of Science and Technology (Government of India), Ministry of Environment and Forests (Government of India), Indian Council of Social Science Research (ICSSR), National Bank for Agriculture and Rural Development (NABARD), Australian Centre for International Agricultural Research (ACIAR), Social Science and Humanities Research Council (SSHRC, Canada), The University of Edinburgh (UK), University of Osnabruck (Germany), etc. He has also carried out consultancy studies for the National Bank for Agriculture and Rural Development (NABARD), South Eastern Coalfields Limited, ACC Limited, etc.

Prof. Mishra has published his research outputs in leading national and international journals such as *Innovation and Development (Routledge)*, *Journal of Industry, Competition and Trade (Springer)*, *South Asia Economic Journal (SAGE)*, *Margin: The Journal of Applied Economic Research (SAGE)*, *Journal of Cleaner Production (Elsevier)*, *Energy (Elsevier)*, *Land Use Policy (Elsevier)*, *Renewable and Sustainable Energy Reviews (Elsevier)*, *Journal of Urban Management (Elsevier)*, *The Extractive Industries and Society (Elsevier)*, *Development Policy Review (Wiley)*, *Review of Development and Change (SAGE)*, *Economic and Political Weekly*, *Eurasian Journal of Business and Economics*, etc.
