

Vipul Puri

Mr. Vipul Puri is presently working as Joint Director (Financial Analysis) in Competition Commission of India (CCI). Vipul has around 18 years of experience in the areas of finance and regulatory affairs and, apart from CCI, has been associated with the state-owned telecom service provider BSNL and Telecom Regulatory Authority of India in various capacities. He also worked as Principal Case Officer (Secondee) with the Competition and Markets Authority, United Kingdom.

He is a Chartered Financial Analyst from Institute of Chartered Financial Analysts of India [CFA (ICFAI)] and a postgraduate in Commerce from Delhi University. He has completed Post Graduate Diploma Program in Economics for Competition Law from Kings College, London.

Vipul strongly believes in the mix of rationalism with compassion towards all beings in general and no-holds barred, unforgiving approach against hypocrisy as a life success mantra. Vipul would be happy to see himself excelling in the regulatory affairs and evolving as an author and playing his part in making world a better place.
